Vice President

1

Lessor Profile & Contract Creation Flow

STEP 1: LESSOR PROFILE

Prior to creating a contract, ensure the lessor profile exists or register a new entry.

AM

Register Lessor Profile

Action: **Add** — Create a new profile with lessor personal/corporate details.

AM

Edit Lessor Profile

Action: **Edit** — Update existing lessor details before initiating contracts.

STEP 2: CREATE CONTRACT OF LEASE (COL)

Main required steps for Area Managers (

AM

) when creating a new contract:

- 1
- Select Branch
- Choose the target operating branch from the dropdown menu.
- 2
- Select Lessor Type & Name
- **Sole Proprietorship:** Set 1 lessor; optional "Authorized to Claim" representative.

◦ **Partnership:** Add 2+ lessors; optional "Authorized to Claim" representative.
- 3
- Contract Period & Rental Rate
- Input **Effectivity Date** & **Expiry Date** matching the signed PDF file. Specify exact **Monthly Rental**.
- 4
- Process Escalation & Deposits
- Click the escalation icon, review policy instructions, and enter optional **Advance / Security Deposit**.
- 5
- Attachments, Payment Method & Save
- Attach full Contract PDF, select notarization status (Yes/No), set payment method, and click **Save Contract**.
